Our ancestor, Johann Niclaus Kann, was born in Impflingen, Germany on June 14, 1688. Johann Niclaus Kann was known as Niclaus and his wife, Maria Catharina, as Catharina. During this period and continuing into the 19th century a person of German ancestry was known by his second or middle name.

In the year 1733 the Kann (Kan) family left their homeland of Germany traveling down the Rhine River to Rotterdam, Holland, where there was a brief stay before sailing to America. They boarded the ship "Samuel" under the command of Hugh Percy and after a journey of at least seven weeks arrived in Philadelphia on August 17, 1733.

The Kann family was of the Reformed German faith and numbered six upon their arrival. Several of their ages as shown on the ship's list are not in agreement with the church records that are included with my presentation. This is due either to the heavy German accent that may have been misinterpreted by the English clerks or an error in recording the ages. The family and ages follows: Niclaus Kann (45), Catharina (40), Michal (18), Hendrick (9), Johannes (3), and Dorothea (4 mos.) The other children had either died in Germany or during the rigorous voyage to America. Since his mark (X) appears on the oath of allegiance one can assume that Niclaus was unable to sign his name.

After leaving Philadelphia the Kanns settled in Hellam Township which was then a part of Lancaster County. Niclaus was granted 200 acres of land by Thomas Penn on October 30, 1736. Prior to Niclaus' death this farm was sold to his son Henry for 639 pounds.

No gravesites can be located in the memory of Niclaus and Catharina, our first generation ancestors from Germany.

NOTE:

Before a trip to Germany in 1983 I was unaware of the close proximity of the origins of both my father's and mother's families. Their villages were merely nine (9) kilometers from one another. Since both families settled in the same area in York County, it can be assumed that contacts were maintained across the Atlantic between many families from the Palatinate area.

Dear Kuby,

I have finally located the origin of the Kann family in Germany. They lived in the area of Implingen / Linsheim - Bayern according to the Evangelisch - Reformierte church records (see enclosed).

However, I am not certain of my direct descendent, George Michael Kann, who was listed as being 12 years of age on the passenger list ship Samuel August 17 1733. I could not locate him in the birth records for the year 1721 but did find a Hans Michael born on 12 Feb. 1715 in Implingen. I am somewhat confused by the age difference; are they one and the same persons. Why the different names? George Michael went by the name Michael on all documents in America. I never saw a Hans Michael listed anywhere! All the other names and birth dates agree so I know that I have the right family.

Maybe you can research this for me if you find the time.

Sincerely,
Gene D. King

Dear Mr. King ,

I received your letter of Aug.21 . Yesterday I went to Kaiserslautern to see my friend Helmut Kimmel who was for several years the minister of Impflingen and Insheim and has good files about the population of these two places.

- # 1) He says: after 1733 the name Khan,Kaan,Kann (or similar) disappears . That means that you are right in your assumption that these are your ancestors.
- # 2) It seems rather clear that Georg Michael, Hans Michael and Michael is one and the same person. You know, according to our custom in most cases the first name (for instance: Johann, Hans, Georg, Philipp or Maria, Anna) WAS NOT AS IMPORTANT AS THE SECOND ONE:
Concerning the age ("12") I believe that the number was miswritten or misread für 17 or 19 .
- # 3) It may interest you that the name Khan (and similar) means nothing else than Johannes/John. For example: there is a former monastery near Landau, officially named St.Johann or St.Johannskirchen. Everybody calls it Khanskirchen or Kannskirchen !
- # 4) The first Khan/Kann who came to Impflingen was Christoph from nearby Billigheim. Oct.24,1654 he swears an oath of allegiance as a new citizen. In a document of 1657 he is called "Christophel Johann"! He died between October 1664 and July 1665, since his wife Verena R e y f f got remarried Febr.27,1666 with Rudolph S t ä n t z from Switzerland (she certainly also was from Swiss origine) and his youngest son Christoph was born and baptized posthumus (after his fathers death) July 23,1665.
- # 5) We know the following children of Christoph(e)l K.:
Johannes, married Febr.10,,1680
Balthasar, bapt.May 21, 1655
Niclas, bapt.Aug.11, 1661
- ## 6) More about Niclas or Johannes: his wife was Anna Catharina née K u h n , , widow of Arnold F i s c h e r , daughter of Johannes C h u n and Catharina. They had 4 children, the youngest was Johann Niclaus, bapt. June 14, 1688 .
Johannes, his father was buried June 4, 1689, only 31 years old.
- ## 7) Johann Niclaus married before Jan.28,1713 with Maria Catharina N. from Walsheim nr.Landau. (Perhaps one could find their marriage in the Walsheim reformed church records of 1712/1713)
Between 1715 and 1733 they had 8 children: Hans Michel Febr.12,1715;
Johannes Jan.8,1720; Anna Maria March 11,1722; Johann Henrich Oct.14,1723;
Maria Eva June 5,1726; Maria Catharina July 2,1728; Johannes July 18,1730
and Maria Dorothea April 17, 1733.

Since you asked for the costs of my efforts: I thin a 10 dollars bill will cover everything. I hope you enjoy your findings and these informations, and I remain Yours
